

Met Office rainfall series 1766 onwards

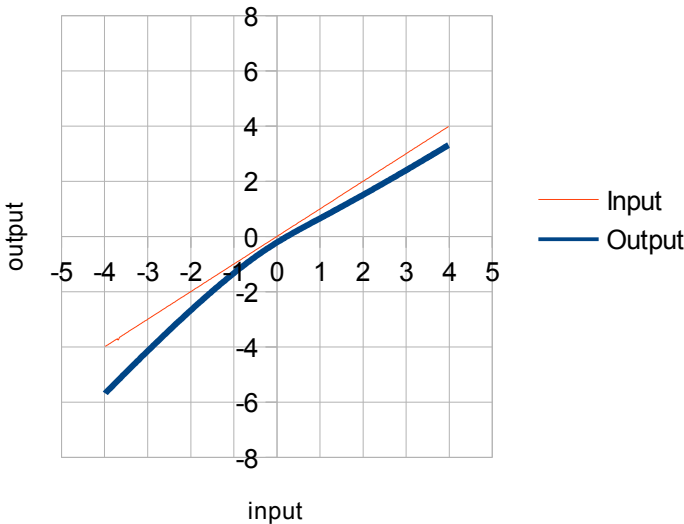

statistic after harmonic removal of annual variation and normalisation via skewness and kurtosis adjustment

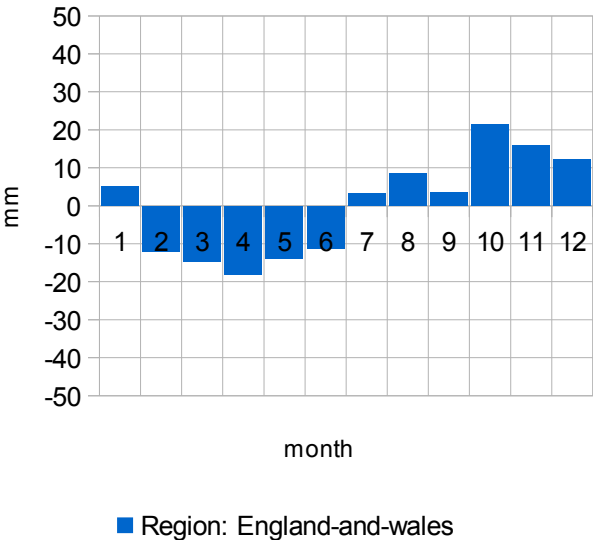

Normal Probability plot

Linearity, bending law

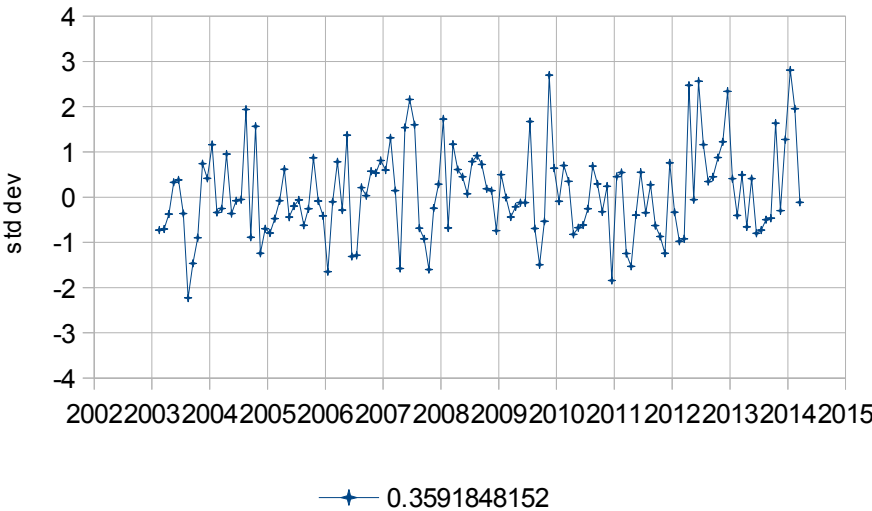

Annual variation

RANK	LOWEST	HIGHEST
#1	1781.792	1903.792
#2	1809.792	1947.208
#3	1784.792	1852.875
#4	1978.792	1918.708
#5	1969.792	1770.875

Standardised. Deviation from monthly mean.
